

THE TREND ADVANTAGE

TREND
WINDOWS & DOORS

WE'RE THERE FOR THE ENTIRE JOURNEY. AUSTRALIAN-MADE, LOCALLY BACKED, BUILT TO LAST.

Since 1968, Trend Windows & Doors has helped Australian builders deliver quality homes and commercial projects - not just through premium windows and doors, but with expertise, service, and support at every stage.

WHAT SETS US APART

- **Local expertise, national strength:** Our specialist team across Australia brings decades of combined experience to every project.
- **Built for compliance:** We know the NCC and AGWA standards inside out – identifying risks early so you stay compliant and confident.
- **No drop and run:** From quoting to installation, and long after handover, we're here to support your build every step of the way.
- **Precision and quality:** Designed, tested, and manufactured in Australia, our products are built to perform, not just meet minimum standards.

REDUCING RISK ACROSS YOUR PROJECT

- 1. PREDICTABLE LEAD TIMES**
Trend's local manufacturing means reliable delivery schedules and responsive after-sales support – helping keep your project on track.
- 2. COMPLETE, TRANSPARENT QUOTING**
Our quotes include the full system – reveals, hardware, and essential components – reducing variations and cost surprises down the track.
- 3. BUILT FOR COMPLIANCE**
Products are designed and tested to meet NCC and AGWA requirements, helping mitigate compliance risks.
- 4. INSTALLATION EFFICIENCY**
Our window and door systems are engineered for Australian conditions, minimising on-site assembly and reducing labour and handling requirements.
- 5. MARKET-LEADING 10-YEAR WARRANTY**
Our industry-leading 10-year warranty provides long-term assurance on product performance – supporting project certainty well beyond handover.

Our Value in Action

- **Detailed consultation:** Supported by our in-house energy raters, we spend the time to thoroughly review energy reports, compliance details, and build plans to ensure all provided products meet requirements.
- **Hands-on expertise:** We have highly technical window specialists who can meet on-site to problem-solve, provide guidance, and tailor solutions to your specific needs.
- **Local understanding:** Our expert teams know the unique challenges of building across Australia and are ready to provide expert support and advice whenever you need it.
- **End-to-end service:** From the initial consultation through to a smooth installation and post-installation support, we've got you covered – all backed by a 10-year warranty for complete peace of mind.
- **Proven capability:** We have partnered on landmark projects across Australia – successfully delivering complex commercial developments to high-end residential builds.
- **Vertically integrated:** We operate as part of the VENTORA Group, giving us direct control over glass, hardware, and powdercoating for reliability and cost stability.

Partner with a trusted Australian team you can rely on.
