

# A PREMIUM STATEMENT FOR YOUR SLIDING DOORS.

Introducing the 400mm D Pull handle, perfect for modern residential homes. With premium aesthetics and improved functionality, it is the ideal upgrade for Quantum Platinum and Crestlite Windsor Doors.

# A PREMIUM STATEMENT FOR YOUR SLIDING DOORS.

## 400mm D Pull Handle

- Handle depth allows clearance for flyscreens, suitable for double-sided installation on the interior and exterior of the door.
- Die-cast zinc handle and escutcheon for strength and long-term durability.
- Powder-coated finish ensures durability and corrosion resistance in coastal environments.
- Cylinder and mortice lock options include a stainless-steel turn snib and key to suit Brushed Nickel and White finishes, or a black painted turn snib and key to suit Black finishes.
- Deadbolt locking and Anti-lift hookbolt design for enhanced home security and added protection against forced entry.
- Anti-slam mechanism protects the hookbolt and prevents damage from accidental or forceful closure.
- Adjustable strike for ease of on-site fitting and simple on-site adjustments during installation.
- Stainless steel forend plate for added durability while creating a clean, premium finish.
- Keyed alike to other Trend doors. Use one key for your doors.
